FIBER & QUALITY

FIVE REASONS TO CHOOSE DEDON

IN-HOUSE PRODUCTION

Unique in the outdoor industry, DEDON owns and controls both its fiber and frame production. While other brands outsource to distant suppliers, DEDON lovingly oversees every aspect of our woven products' creation, from design to delivery, ensuring levels of quality and value that can't be rivaled. For our contract partners, in-house production also means special opportunities for customization.

UNSURPASSED QUALITY

Our obsession with quality begins in our research and development department, where prototypes are continuously refined and improved, seeing the light of day only when they have met the highest standards. Out on the factory floor, each piece of hand-crafted woven furniture undergoes sixteen different quality inspections, including four at the end of the production line, each lasting 12 to 20 minutes.

DESIGN INNOVATION

DEDON collaborates with some of the world's leading designers, involving them deeply in the R&D process, creating special fibers for them, developing new weaves and more. The result is an award-winning portfolio of innovative and exclusive designs. Available in an array of product categories, styles, colors, finishes and price points, they offer the versatility and flexibility our contract partners need.

GLOBAL REACH

Distributed in more than 80 countries, with show rooms and sales office around the world, DEDON is a global company with a global mindset. We criss-cross the planet — with furniture and team — as part of our ongoing Tour du Monde adventure, and no island or secret hideaway is too remote for us. Wherever our contract partners have projects to undertake, DEDON is available and ready to help.

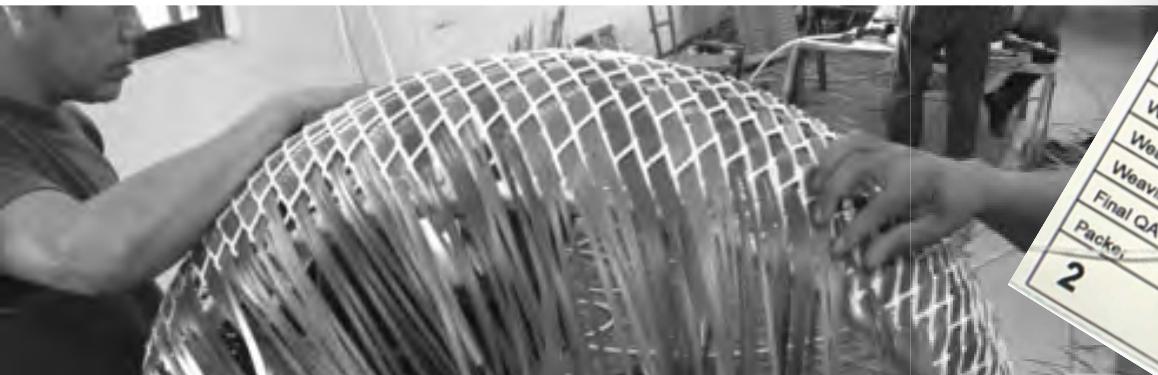

DEDON WARRANTY

Under normal conditions of use and maintenance, DEDON Fiber and all DEDON furniture made exclusively of aluminum frames and DEDON Fiber (excluding cushions and glass) and purchased outside the United States are covered by a five-year warranty against any manufacturing defect. For U.S. Customers: Please visit www.dedon.us/policies/warranty for the terms of our 5-year limited warranty applicable to purchases made within the United States.
